Product Summary

Key- 3 Oil™ When added to the equine diet Key- 3 Oil helps to maintain the critical ratio of Omega 3 and Omega 6 fatty acids, minimizing inflammation, supporting good health and performance. Key-3 Oil contains sustainable marine oil, a direct source of the longer chain Omega 3 fatty acids, EPA and DHA. Adding Key-3 Oil to your horse's diet is an advanced, easy and effective method of supplementing Omega 3. Key-3 Oil comes in 1 liter, 5 liter or 20 liter.

Ingredients

Premium cold pressed british linseed oil, cold pressed rapeseed oil, Scottish salmon oil and garlic.

Daily Feeding Guide

For general use and maintenance for horses and ponies: 1 ounce to 3 ounces per day.

For older horses and ponies: 1 ounce to 4 ounces per day.

Introduce Key-3 Oil gradually over 14 days. Always provide fresh, clean water. Combine with forage/fiber totaling 1.5%-2% of the horses bodyweight.

Feeding rates above are a guide only.
